WOMEN WHO

Read Mrs. Corley's Letter and Benefit by Her Experience

Edmund, S.C.—"I was run down with nervousness and female trouble and suffered every month. I was not able to do any work and tried a lot of medicine, but got no relief. I saw your medicine advertised in a little book that was thrown in my door, and I had not taken two bottles of Lydia E. Pinkham's Vege table Compound before I could see it was helping me. I am keeping house now and am able to do all of my work. I cannot say enough for your medicine. It has done more for me than any doctor. I have not paper enough to tell you how much it has done for me and for my friends. You may print this letter if you wish."—ELIZABETH C. CORLEY, cars of A. P. Corley, Edmund, S. C.

Ability to stand the strain of work is the privilege of the strong and healthy, but how our hearts ache for the weak and sickly women struggling with their daily rounds of household duties, with backaches, headnches, nervousness and almost every movement brings a new pain. Why will not the mass of letters from women all over this country, which we have been publishing, convince such women that Lydia E. Pinkham's Vegetable Compound will help them just as surely as it did Mrs. Corley?

Little Sister's Interest, Little Jeanie gazed long and thoughtfully at the young man who calling on her grown-up sister

"May I climb up on your knee, Mr.

Greene?" she inquired at last.
"Yes, of course, dear!" smiled the young man, who wanted to make a hit with the family. "Want to pull my hair-eh?"

"No; I want to see if I can find that word," replied the little girl. "What word?" asked the visitor, in

bewilderment.

"Few great men's sons ever amount to much," said a man at the club the other evening. "I think the most striking reason for this I ever read," be continued, "was that given by the second Duke of Wellington. LESSON FOR SEPTEMBER 25

REVIEW.

GOLDEN TEXT—As we have therefore opportunity, let us do good unto all men, especially them who are of the household of faith—Gal. 6:1-10.

REFERENCE MATERIAL—Gal. 6:1-10.

PRIMARY TOPIC—Serving Jesus.

JUNIOR TOPIC—Serving Jesus.

INTERMEDIATE AND SENIOR TOPIC—Living for Jesus.

TOUNG PEOPLE AND ADULT TOPIC—Sacrificing for Jesus.

Two methods may profitably be em-ployed in the review of the lessons of the Quarter. First, a biographical sketch of the Apostle Paul, such as his birth, home training, education, conversation, teaching and missionary work. Second, the leading teachings of the lessons, which may be made prominent by summarizing the facts of each lesson and stating the most vital teaching thereof. The first method can be used in reviewing the lessons in all departments and grades, and can be easily adapted by any teacher. The second method will be preferred by many in the senior and adult classes

The following is given by way of suggestion:

Lesson 1. Paul was born at Tarsus of Heorew parentage, Being brought up in a pious home, he was thoroughimbued with the spirit of devotion to the Scriptures. He was educated at Jerusalem under the tutorship of Gamallel. The chief text book was the Bible. In addition to his religious training he was taught a trade which came in very useful later, enabling him to support himself while preaching the gospel,

Lesson 2. In Paul's training as a Pharisee, he was taught to love his own nation, to love God's law, and to be zealous toward God, that is, to have a passion for God and His work.

Lesson 3. Paul's burning hatred of Jesus incited him to endeavor to stamp out the Nazarene heresy. While on the way to Damascus, with authority to arrest and imprison the believers, men and women, he was stricken with blindness and fell to the earth, and Jesus spoke to him from heaven, saying, "Why persecutest thou me?" In response to the heavenly instruc-Ananias baptized bim, and he received his sight and was filled with the Holy

Lesson 4, Paul straightway preached Christ in the synagogue. Like everyone who is really converted he began to tell of the newly found Saviour. After a lengthy sojourn in Arabia he visited Jerusalem where he was befriended by Barnabas when suspected by the disciples.

Lesson 5. When the religious awakening at Antioch had come to the attention of the Jerusalem church, Barnabas was sent to inspect it, and see ing help was needed he brought Paul from Tarsus to be his helper.

Lesson 8. After teaching a year at Antioch, the Spirit moved the church to send forth Barnabas and Paul to evangelize the heathen. The church sent her best men

Lesson 7. As Paul and Barnabas were preaching at Iconium, an attempt was made to worship them as gods. Their efforts were frustrated by the tact of Paul. Soon after this Paul was stoned, showing that satanic worship can soon be turned into satanic hate.

Leseon 8. Paul's preaching the grace of God to the heathen brought on a controversy in the church at Antioch. The question in dispute was: "Shall Gentiles be required to keep the Mosaic law as a condition of salva-tion?" The decision was in favor of Paul, and so Paul and Barnabas were free to begin their second missionary

Lesson 9. The Spirit forbade Paul to tarry longer in the provinces of Asia preaching the Gospel, and by a vision of a man from Macedonia plending for help, he was called into Eu-

Lesson 10. The casting out of demon from a young woman resulted in landing Paul and Silas in jail. They were miraculously delivered and the jailer was converted.

Lesson 11. Being driven out from Thessalonica and Berea, Paul went to Athens where he preached the gospel on Mars' Hill. The result of his preaching here was that some mocked, some procrastinated, and some believed.

Lesson 12. Paul in this lesson sets forth the grand principles which should govern the believer's life, the sum and substance of which is: "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God."

Some More Truths.

WOULD you use a steam shovel to move a pebble? Certainly not. Implements are built according to the work they have to do.

Would you use a grown-up's remedy for your baby's ills? Certainly not. Remedies are prepared according to the work THEY have to do.

All this is preliminary to reminding you that Fletcher's Castoria was sought out, found and is prepared solely as a remedy for Infants and Children. And let this be a warning against Substitutes, Counterfeits and the Just-as-good stuff that may be all right for you in all your strength, but dangerous for the little babe.

All the mother-love that lies within your heart cries out to you: Be true to Baby. And being true to Baby you will keep in the house remedies specially prepared for babies as you would a baby's food, hairbrush, toothbrush or sponge.

Children Cry For

Are You Prepared?

A doctor in the house all the time would be a good idea. Yet you can't afford to keep a doctor in the family to keep baby well or prevent sickness. But you can do almost the same thing by having at hand a bottle of Fletcher's Castoria, because it is a wonderful remedy for indigestion, colic, feverishness, fretfulness and all the other disorders that result from common allments that babies have.

Fletcher's Castoria is perfectly safe to use. It is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. Children cry for Fletcher's Castoria, and mothers recommend it because they have found it a comfort to children and a mother's friend.

If you love your baby, you know how sweet it is to be able to help baby when trouble comes. You cannot always call upon a doctor. But doctors have nothing but good to say of Fletcher's Castoria, because they know that it can only do good - that it can't do any harm and they wouldn't want you to use for baby a remedy that you would

The two lovers were talking over their troubles, particularly the parental objections offered to their marriage. "But," said the youth, "I can't for the life of me see why your father should place any obstacle in the way of our marriage."

"Well," explained the girl after some reflection, "I think it stands this wny: Father, you know, is always boasting of his lineage. He is forever saying that his ancestors were gentlemen of leisure like himself, and that you have to work for a living."

"Well," continued the sultor, "tell him that I don't expect to after we are married."

The Motive.

Senator Hiram Johnson was dicussing the various restrictions which it is proposed to put on immigration. "We certainly have got to restrict immigration somehow or other," he said. "or the immigrants won't leave the native population room to breathe.

"Conditions in Europe since the war are so bad that practically everybody wants to come here. I said to an immigrant the other day:

"You immigrants all succeed remarkably in America. I wonder why "'It's because,' the immigrant an-
